

Introduction

Driving the Blue Ridge Relay course requires much preparation and planning. The preparedness of the team driver(s) greatly impacts the experience of the team, the efficiency of the Blue Ridge Relay and the safety of all involved.

1. Non-running driver and co-pilot are suggested. However, some teams prefer to do the driving themselves.
2. Know the course, the rules, the driver handbook and the team handbook.
3. If you don't like runner food, be prepared with your own food and beverages.
4. Have a plan with your team, if you need to rest or sleep (alternate drivers).
5. Have a means to communicate with your second team van (if you have 2 vans).

Preparation and Planning

Drive the Course Before the Race? If you can't drive the course in advance:

1. Thoroughly review the maps (available on the Drivers Info website page).
 - a. Leg Maps for active vans (when you are the active van, you will remain on the course, with the exception of several legs as noted below)
 - b. Leg Maps to navigate around Blue Ridge Parkway.
 - c. Leg Maps to navigate around Restricted Roads.
 - d. Maps to navigate between Transition Zones.
2. Identify exchange zones (and areas where more time will be required).
3. Know the difficult parking areas and plan accordingly.
4. Be aware of the roads that are more remote and those that run through towns.
5. Know locations for gas, groceries, supplies and additional restrooms are located.
6. Establish locations off of the course where your team vans can meet if needed.
7. GPS and other related systems may not be accurate in the mountains.

Grayson Highlands State Park

Grayson Highlands State Park has issued a Special Use Permit to the Blue Ridge Relay. Please refer to the Rules and Penalties on the website for a full list of Park rules.

1. Grayson Highlands State Park is 30-45 minutes from Jefferson/West Jefferson, 1:15-1:30 from Boone. Please allow extra time for the drive because Hwy 221 is under construction. In addition, the roads, which access the Park, are windy, narrow and secondary.
2. Upon entering Grayson Highlands, each team vehicle must check-in at the gate. You must know your team name to check-in. Ultra teams are permitted to have one team vehicle, all other teams are permitted to have 2 team vehicles. All other vehicles are required to pay a park fee of \$12 for 15 passenger vans and \$7 for other vehicles, payable at the gate.
3. All Park rules apply, including speed limit.
4. Team Packet Pick-up, if not done Thursday at the pre-race dinner, must be completed at least 30 minutes prior to the start of your team's wave. Sign-in at the starting line will take place 15 minutes prior to the start of your team's wave.
5. The Start is at the Visitor's Center, located 4 miles after passing through the Park entrance gate. Upon entering the park, do not stop at the Ranger's Station, which is located just inside the gate.

Blue Ridge Parkway

The United States Department of the Interior, National Park Service and Blue Ridge Parkway have issued a Special Use Permit to the Blue Ridge Relay to access the Blue Ridge Parkway. In addition to the established rules and regulations of these organizations, the following will apply to the Blue Ridge Relay:

“Support vehicles are not permitted on the Blue Ridge Parkway with the exception: support vehicles can travel between milepost 373 and milepost 375, but cannot stop on the Parkway.” Therefore, support vehicles will follow a route alternate to the course for legs 12 and 13. Support vehicles may use the Parkway for leg 35. Alternate vehicle routes are noted below.

Counties and Municipalities

The Blue Ridge Relay has received permission from the following counties: Grayson, Ashe, Watauga, Avery, Mitchell, Yancey, and Buncombe. Permission has also been received from the towns of Jefferson, West Jefferson, Blowing Rock, Newland, Spruce Pine, Burnsville, and Asheville. Please respect these communities, which graciously are allowing our event access to their roadways.

Understand, that as a driver, you must comply with all traffic laws and regulations. If you get pulled over by Law Enforcement...that’s on you... and your team may also receive a penalty or disqualification from the Blue Ridge Relay.

Gravel Roads

The course was intentionally designed to use secondary roads, when possible. Many of our gravel/dirt mountain roads are narrow and are single lane in places.

1. Please drive slowly to keep dust at a minimum.
2. Respect local traffic.
3. In places, the roads are narrow. Approaching vehicles may not be able to pass your support vehicle. Please be patient and courteous.
4. Please avoid driving the course in reverse on those legs that have dirt/gravel roads as noted on the leg maps. Two-way traffic can create unwarranted congestion on these narrow dirt lanes.

Road Conditions

The roads used for the Blue Ridge Relay in the North Carolina and Virginia mountains are mostly rural, narrow and have little or no paved shoulder. Two Cautions:

First Caution about runners: when passing runners, ensure that you allow approaching traffic and runners ample space.

Second Caution to drivers: We need to drive with caution, awareness and on many roads below the speed limit regardless of shoulder conditions. In many places, if your tires leave the road you risk damage to your vehicle, getting stuck and even sliding into a creek.

Course Markings

The course will be marked with

1. One yellow directional sign (18" x 24") before each turn
2. One yellow confirmation sign with black arrow after each turn.
3. Signs during the night legs will be highlighted with clear blinking lights.
4. One yellow "EXCHANGE ZONE" sign will be posted approximately ¼ mile before the exchange zone. This is not the beginning of the exchange zone, but an alert sign for runners and drivers that the exchange zone is approaching.
5. Van directional signs in EZ are white with orange letters.

However, as noted in the Rules, it is the responsibility of the runner (and driver) to navigate the course. Please note that signs may read "BRR" or "Relay". Signs will be posted on the Left side of the road. However, signs will be posted on the Right when the leg notes/description instructs runners to run on the right. Every turn will be signed, but occasionally signs do disappear. So read your maps and cue sheet, anticipating the next turn.

Rules and Penalties

Please refer to the website for a complete listing. Every runner and driver MUST comply with the rules.

Driver Related Rules

Drivers are representatives of their respective team and are responsible for complying with all Blue Ridge Relay Rules. A team will be penalized if their driver is in violation of Blue Ridge Relay Rules and/or does not comply with the alternate driving directions provided.

Exchange Zones

1. When entering exchange zone parking, roll down window to communicate with EZ staff.
2. Park as instructed by EZ staff.
3. Park in one space only. Most parking lots have limited space.

Alternate Routes for Support Vehicles

The Blue Ridge Parkway requires that support vehicles use an alternate route for legs 12 and 13. Blue Ridge Relay officials will be posted at the entrances and exits. The "Driver Info" page on the BRR website has interactive maps. Cue sheets for support vehicle alternate routes are listed below.

1. To The Start from West Jefferson and Boone.
2. Navigate around the Blue Ridge Parkway.
 - a. Leg 12
 - b. Leg 13
3. Navigate around Restricted Roads.
 - a. Leg 11
 - b. Leg 16
 - c. Leg 22
 - d. Leg 23
4. Navigate between Transition Zones.
5. Navigate to Up 'N Running, Boone's dedicated running store.

Cue Sheets

The pages that follow are cue sheets to guide drivers. Please use these directions.

Driving directions to navigate to The Start from West Jefferson (0:45 minutes) and Boone (1:15 – 1:30)

Segment Distance	Total Distance	
0.00	0.00	In Boone, beginning at intersection of Hwy 194 and 421 South/221 North/East King St; Follow 421 South/221 North

0.10	2.30	Turn Right onto Greenwood Rd
0.10	2.40	Ingles Grocery and Gas on your Left

Leg 23

Start: Ingles Grocery

End: Ledger Ace Hardware

Vans are NOT permitted on Stroup Rd

Segment Distance	Total Distance	
0.00	0.00	Exit Left from Ingles parking lot onto Greenwood Rd.
0.50	0.50	Follow Greenwood Rd to Hwy 19E (DO NOT enter Stroup Rd) Turn Right onto 19E/226 North
0.25	0.75	Turn Right onto 226 North at traffic light
4.00	4.75	Turn Right into parking for Ace Hardware

Transition Zones

Transition Zones are defined as the exchange zones where teams with 12 runners will experience an overlap in support vehicles (e.g. runner 6 from support vehicle 1 will finish and runner 7 from support vehicle 2 will begin...and runner 12 will finish and runner 1 will begin). The Transition Zones will have greater van traffic and a greater volume of team members. Please note that the non-running support vehicle may pass the Relay staff and arrive at a Transition Zone ahead of staff. Please be patient, we'll be there. The following are the Transition Zones and related notes. Please note that parking will be directed at most of these locations.

Transition 1, Exchange Zone 6 (between legs 6 and 7): Frosty's Choose & Cut. Ample parking.

Transition 2, Exchange Zone 12 (between legs 12 and 13): Mount Vernon Baptist Church Ample Parking. Please park furthest from the church building at the rear of the parking lot.

Transition 3, Exchange Zone 18 (between legs 18 - 19): Christmas Tree Lot. Parking will be directed. Park nose-in or back-in to the parking lot edge.

Transition 4, Exchange Zone 24 (between legs 24 and 25): Bakersville Volunteer Fire Department. Ample parking in parking lot across the street. Plenty of grass for camping and a large indoor space in case of inclement weather. Freshly dug BAKED POTATOES to fuel up on AND HOT SHOWERS!

Transition 5, Exchange Zone 30 (between legs 30 and 31): PANCAKES! Parking at Laurel Branch Baptist Church and Pensacola United Methodist Church (down the street).

Driving directions to navigate between Transition Zones

Start		
From: Grayson Highlands State Park (Start)		
To: Frosty's Choose & Cut (EZ 6)		
Support Van1 to follow the following route		
Segment Distance	Total Distance	
0.00	0.00	Travel from BRR Start to Grayson Highlands State Park Entrance
4.70	4.70	Turn Right on Highlands Pkwy (Hwy 58)
3.40	8.10	Turn Left on Sturgills Rd (count rd 751)
1.30	9.40	Enter North Carolina (Helton Creek Rd)
2.30	11.70	Stop Sign. Turn Right on 194 South to Lansing
4.80	16.50	Stop Sign in Lansing. Turn Left on 194 South to Warrensville.
3.70	20.20	Stop Sign in Warrensville. Turn Left on 194 South/88 South to West Jefferson.
3.80	24.00	Stay Right on 194 South to West Jefferson. (88 South veers to the Left)
1.50	25.50	Traffic Light. Stay Straight on S. Jefferson Ave, through downtown West Jefferson
1.60	27.10	First Traffic Light past McDonalds. Right on Beaver Creek School Rd.
2.20	29.30	Frosty's Choose & Cut is on the Right
